

# Catholic Family History Society

Registered Charity No 293133

The Catholic Family History Society exists to encourage Catholics and those who have Catholic ancestry (however distant) to research their family history. It publishes a journal three times a year, and there are local groups which arrange meetings in Derwentside and N W England.

Membership of the Society entitles you to attend any of the meetings organised by the Society, receive copies of the journal (*Catholic Ancestor*), have your research interests listed, and generally join in the activities of the Society.

The current subscription rate is £15.00 per year (renewable on 1 January each year), with an extra £2 for each additional member at the same address (one copy of the journal). The subscription rate for overseas members is £20.00 per year (pay in sterling), with a similar £2 extra for an additional member at the same address. The subscription should be sent to the Membership Secretary, Mrs Kathleen Black, 14 Sydney Road, Ilford, Essex, IG6 2ED. Cheques are payable to Catholic FHS. The Society is a registered charity and donations are always welcome.
